Praying with Your Kids Before School

Holly Melton

We disciple our children by reading the Bible, discussing how to apply it to our lives and then praying together for God to continue to make us more like Him. Praying with Your Kids Before School will guide you to do just that each day of the school year. You don't have to start in August, you just have to start. Remember, prayer changes us. Prayer brings us closer to God and each other by growing in our understanding of scripture and asking Him to help us to apply it to our lives. The sooner we bring this discipline into our homes, the sooner God can guide us how to disciple our children in the way they should go.
